

## **Making Dollars and Sense of Historic Tax Credits** for property owners on the Island and in Strathglass Park

**FREE Workshop**  
**Thursday, June 1, 4:00 – 5:30 p.m.**  
**Rumford Town Hall Auditorium**

Find out how historic tax credits can help restore commercial, residential and nonprofit properties. In this workshop you will learn how to apply for the state and federal tax credits, including: the eligibility criteria, what type of work qualifies, how to submit a great application, when to call in the pros, and where the money is buried. You will also hear from a property owner in downtown Lewiston how he and his wife renovated a building that has commercial and residential space.

### **Presenters:**

- Christopher Closs, Field Service Representative, Western/Southern Maine, Maine Preservation
- John Egan, Senior Vice President, Loans and Investment, Coastal Enterprises, Inc.
- Michael Johnson, Historic Preservationist, Maine Historic Preservation Commission
- Kevin Morin, Architect and owner of 46 Lisbon Street, Lewiston, ME.
