3. Discussion with David Barrett from Maine Municipal Association concerning the Replacement of the Town Manager

Mr. Barrett explained the process of hiring a Town Manager and answered questions from Board members. He spoke of the economics of a shared Town Manager and also that it would be an advantage for Board members to speak to the staff to get feedback about the position. He also noted that there is a big change in the pool of available candidates as the University of Maine is no longer offering a public administration course and the older Town Managers are retiring.

Both Town Boards will hold Executive Sessions at their next regular meetings to discuss the matter further.

4. Adjournment

Mr. Arsenault made a motion to adjourn at 7:00 p.m. Vote: 5-0
