

TOWN OF RUMFORD BOARD *of* SELECTPERSONS WORKSHOP

June 17, 2021 at 5:30 p.m.

Municipal Building Auditorium

1. Call to Order

Brennick called the meeting to order to discuss Chapter 15 Medical Marijuana License Facilities.

2. Discuss Amendments to Medical Marijuana Ordinance

Board of Selectpersons Chairman Chris Brennick noted that this meeting was only to discuss medical marijuana sales. The townspeople just voted down in a non-binding straw poll regarding recreational marijuana sales. Town Manager Carter stated that the straw poll vote on adult use failed so the Town does not plan on putting it on the November ballot. Since the medical marijuana statues has come out we have not done an option for new business's to come in. We have to do an opt-in and that will be on the November ballot. Carter noted the important to have the Medical Marijuana ordnance ready and it meets states guidelines. Amendments to the current ordnance would have to go to the citizens to vote as well.

Carter noted that the Code Enforcement Officer Coulombe has reviewed the ordinance. Coulombe noted what doesn't match the States ordinance.

Discussion was had by employees, board members, attorneys, potential business owner and citizens present.

Brennick made a motion to
