

MOTOR VEHICLE REGISTRATION AT TOWN HALL

The State of Maine has authorized the Town to register the following vehicles:

AUTOMOBILES, MOTOR HOMES, MOTORCYCLES, TRAILERS,
FARM TRACTORS, MOPEDS, TRUCK CAMPERS, VANS,
TRUCKS, TRACTORS, SPECIAL EQUIPMENT,
SPECIAL MOBILE EQUIPMENT

REGISTER AT OTHER LOCATIONS

The Town of Rumford participates in the on-line Rapid Renewal Program offered through the State of Maine. This is an on-line re-registration program which can be accessed 24 hours a day, 7 days a week for any registration renewals that do not have any changes. You can access the website by [clicking here](#). Company owned vehicles are registered at the municipal office of the Maine community where the company has its principal office. If the principal office is located outside the State of Maine, the vehicle should be registered at the municipal office of the Maine community where the vehicle is primarily housed.

FEES

The State of Maine registration fee is \$35.00 for passenger vehicles weighing up to 6000 lbs. GVW (gross vehicle weight). Commercial vehicle rates are based on the GVW. Trucks with a total weight over 6000 lbs. GVW must use commercial plates. (Trucks, vans, utility vehicles, etc. must be registered for the combined weight of vehicle and trailer with any load.) The Town collects a \$6.00 agent fee to process a new registration and a \$5.00 agent fee to process a re-registration.

Agent fees can be avoided by paying the annual excise tax at the Town office first and then processing the registration through the Bureau of Motor Vehicles by mail or at one of their locations.

Specialty plates have an additional cost of \$20.00 the first year and then \$20.00 or \$15.00 each year thereafter, depending on the style of plate.

EXCISE TAX

Excise tax must be paid at the registrant's Town office prior to completing any registration at a Bureau of Motor Vehicles location. The Town collects a \$6.00 agent fee to process a new registration and a \$5.00 agent fee to process a re-registration. The motor vehicle excise tax is a local tax. Excise tax for all vehicles is based on the manufacturer's suggested retail price (MSRP) of the vehicle when it was new. Funds raised through the collection of the excise tax remain in your community. The excise tax is also based on the age of the vehicle.

Model year of vehicle Tax rate per Thousand of MSRP (Manufacturer's Suggested Retail Price)

1st year	\$24.00 (2.40%)
2nd year	\$17.50 (1.75%)
3rd year	\$13.50 (1.35%)
4th year	\$10.00 (1.00%)
5th year	\$ 6.50 (0.65%)
6th year	\$ 4.00 (0.4%)
7th year and older	\$ 4.00 (0.4%)

Examples:

In 2014, a 2014 vehicle with a MSRP of \$20,000 would pay \$480 in excise tax. The same vehicle three years later would pay \$200.

In 2014, a 2009 or older vehicle with an original list price of \$15,000 would pay the five-year-old rate of \$4.00 per thousand, or \$60.00.

FEES WHEN TRADING VEHICLES

In the event that a vehicle is traded, lost by fire, theft or accident, the registrant should retain the license plates and registration and can apply any remaining time and credit to the registration for another vehicle in the same name. Using the registration credit may not always be cost effective. If a vehicle is sold and there is no replacement registration, the unused portion of the excise tax is not refundable. The State charges an \$8.00 fee to transfer a registration during the registration year. Any difference in the excise tax paid on the prior vehicle and the excise tax calculated for the new vehicle will be due at the time of the transfer along with a \$3.00 excise tax transfer fee and a \$6.00 agent fee to process the registration at the Town office. Excise tax must be paid at the Town office prior to completing any registration at a Bureau of Motor Vehicles location.
