SPECIAL ROAD USE PERMIT

At the Request of: Jared Scesny, Vice President, Rumford Riders ATV Club

1. In accordance with 12 MRSA §13157-A (6)(F) which states as follows:

“F. An ATV may be operated streets and public ways in special events of limited duration conducted according to a prearranged schedule under permit from the governmental unit having jurisdiction.”

2. In consideration of the economic importance of outdoor recreation to our local economy.

3. With the provisions of Chapter XVIII of the Charter Section 3. Powers and Duties, Subsection (4) which states as follows with regards to the Town Manager:

“To exercise general supervision, direction and control over the affairs of the Town, subject to such limitations as are contained in this act or in the ordinances of the Town, and to coordinate the activities of all departments and officials so far as may be possible.”

4. Not finding any limitations or other restrictions in the ordinances of the Town, to include any known past practices, and not having a regularly scheduled meeting of the Select Board until July 3, 2025, and in consideration of the requested date of June 29, 2025, and an unanticipated series of events causing delays to trail construction:

I therefore find that it is in the public interest to issue this **SPECIAL ROAD USE PERMIT** which allows the Rumford Riders ATV Club to hold their “Poland Springs Ride”, and to use South Rumford Road from US Route 2 at the ATV Park and Ride next to the High Bridge, up to Wyman Hill Road and Wyman Hill Road from South Rumford Road up to Mountain View Annex on June 29, 2025 from 9:00 am EDT to sunset as such time would otherwise ordinarily be defined by law. A copy of this permit shall be posted at the Rumford ATV Park and Ride Board and kept available by the officers of the club for inspection on the day of the ride.

Granted On: June 24, 2025
